July 2016–June 2017

CLUSTER CONFERENCE*

Cluster policy and clusters' cooperation of V4+4 countries

organized by Ministry of Economic Development

30 June 2017, Warsaw, Plac Trzech Krzyży 3/5, Poland

The conference is directed to policy makers from V4+4 countries and clusters, entrepreneurs, associations and organisations related to cluster policy.

It will be opportunity to discuss the differences of cluster policies in each country of V4+4. It will be possible to exchange knowledge on approach to clustering and address the key question on the effective use of clusters in accelerating entrepreneurship, fostering internationalisation, facilitating growth of SMEs and cross-sectorial value chains.

The Conference offers parallel sessions concentrated on 4 thematic areas, the possibility to present best practices and the opportunity to discuss the trends, barriers and challenges for acceleration and building cooperation between clusters within V4+4 countries.

Cluster matchmaking event

will allow for establishing vivid and effective partnerships.

* Conference will be held in English
